

2024

IOWA AND ILLINOIS ENERGY EFFICIENCY PROGRAMS

Participating in energy efficiency programs is an important part of a long-term energy strategy for your home or business. These programs empower you to make decisions that help you save energy and money for years to come. Before purchasing equipment, review all the qualifications and conditions on our website.

HOME CHECK ONLINE

The HomeCheck® Online tool provides an overview of your energy use, as well as energy-saving ideas, right at your fingertips. Log in using your My Account information to take the home energy assessment.

INSTANT DISCOUNTS

MidAmerican offers instant incentives for the purchase and installation of qualifying residential and nonresidential energy-efficient equipment. Before purchase, ask your installer if they are an Instant Discounts provider. By working with an Instant Discounts provider, your discount is automatically deducted from the purchase price, so there's no paperwork for you to complete.

RESIDENTIAL EQUIPMENT

Save with rebates when you purchase new energy-efficient equipment for your home.

APPLIANCE RECYCLING

Rebates are available to recycle your old, working refrigerator or freezer to save you both energy and money. Residential electric customers can schedule a free pickup online or by calling 800-621-2757.

SUMMERSAVER

SummerSaverSM is a voluntary initiative for MidAmerican residential electric customers who want to help reduce energy use at peak times.

NONRESIDENTIAL ENERGY SOLUTIONS

The Nonresidential Energy Solutions program promotes comprehensive energy efficiency for existing commercial buildings, industrial facilities, agricultural and market-rate multifamily customers. Increase your bottom line by lowering monthly operating costs and investing in advanced energy-efficient technologies while improving building operations and comfort.

COMMERCIAL NEW CONSTRUCTION

Make energy efficiency part of your next design. MidAmerican's Commercial New Construction program provides complimentary energy design assistance and financial incentives to help offset the cost of implementing energy-efficient strategies. Give your new construction project or building renovation the right start by completing the screening form on our website.
