Lighting Equipment Application

To apply, complete all required sections of this application and include required documents. Applications must be submitted within six months of the invoice or by December 31, 2022, whichever comes first. Equipment must be purchased between January 1, 2022, and December 31, 2022, and installed and operating prior to submitting the final rebate application.

Rebates are issued on a first-come, first-served basis. Rebate payment cannot exceed 50% of the installed cost (reasonable labor and material/equipment - reasonableness to be determined by MidAmerican Energy Company). Installed cost includes contractor labor only and does not include internal labor. A dated sales receipt or invoice including itemized labor and equipment costs, manufacturer's name, model number, and quantity of qualified equipment purchased must be included with the completed rebate application.

A DLC Primary Use Designation sheet for each type of lamp and a dated sales receipt or invoice including itemized labor and equipment costs, manufacturer's name, model number and quantity of qualified equipment purchased must be included with the completed rebate application.

Before submitting this application, please review the following:

- Review equipment rebate amounts and eligibility requirements
  - Iowa
  - Illinois
- Review the nonresidential Qualifications and Conditions
  - Iowa
  - Illinois
- Have all necessary application information for entry including equipment manufacturer, model, and DLC reference number
- All necessary documents for upload, including DLC Primary Use Designation sheet and itemized sales receipt or invoice

By using this online application tool, you certify that:

- All equipment and installation information provided on this application is correct and accurate

To begin the online application submittal process, click the "**Begin Application**" button below.

Equipment Entry

Add equipment to this application by pressing the add button below:

New Project: Add Equipment Items

Product Category	Name	Quantity	Action
LED	LED FIXTURE	1	✏️ ✖️

<Page 1> Viewing 1 - 1 of 1 Records

Page: 1

| BACK | CONTINUE | - OR - | SAVE & COMPLETE LATER |

- Once equipment is added, it will show as LED Fixture, regardless of the type of LED you chose
  - LED Fixture is the highest level category

- Quantity is system generated and will always be 1

- To add additional equipment items, click the green plus Add button

Add Lighting Equipment

- Once equipment is added, the next screen will show the type of equipment, number of units and rebates generated based on your input.

- If this table has a 0 in the Rebate ($) column, then the Equipment does not qualify for a rebate.
  - Press back button to review and correct Equipment entry
  - Questions? Call 877-932-0616

- This table will be presented to the customer in an email once the application is submitted.

- All potential rebate calculations are preliminary and subject to change pending review and approval.

Upload Documents

- Upload all itemized sales receipts or invoices and DLC documentation.

- IMPORTANT: Combine all sales receipts or invoices into one file before upload.

- IMPORTANT: Combine all DLC documents into 1 file before upload.

- Once you have uploaded the document, you will see a green checkmark and the font will turn green.

Document Uploader

A completed application must include an itemized sales receipt or invoice and DLC listing from the DLC Qualified Products List (QPL) for each lighting measure included in this application.

Please combine all sales receipts or invoices into one file before upload. Please combine all DLC QPLs into one file before upload.

Once the documents are uploaded, they cannot be removed or changed. If you need to remove, change or provide additional information, please email rebateapplications@midamerican.com or call 877-932-0616 for assistance.
